## November 2024

### Hiring Update

We are happy to provide an update that the hiring and review committee has selected 3 couples to interview for the Congregational Evangelist and Women's Ministry Leader positions. Those couples are:

**CJ and Sheree Wakefield**, who will be interviewing and visiting the weekend of November 1-3rd;

**David and Nadia De Los Santos** will interview the weekend of November 8th-10th;

**Wes and Kimberly Gibson** are scheduled for interview the weekend of November 15th-17th.

Opportunities will be given to attend a "Meet & Greet" with each couple. They will also deliver the Sunday sermon while attending. Don't miss it!

### Charlottetown Terrace

God has been moving in an amazing way. TCC has partnered with Charlottetown Terrace for several months and we now have a weekly Bible Talk on Thursdays for its residence, with 5 people studying.

### GoFund Me for Boone

Thank you to all who have been praying, giving and serving our families in the Boone and Appalachian churches. We have collected over \$6600 so far to assist those in needs. Please continue to keep them in prayer.

### Fall Festival A Success!

Our efforts to build a stronger connection with our community is showing great fruit! With the cars decked out, games, vendors and food, the buzz of fellowship with neighbors was incredible and exciting to see. We look forward to more events to build relationships with our neighbors.

## Facilities Update

Time has been spent to update our facilities and prepare for the upcoming Winter as well as create additional space that can be used by various ministries. Here are some of those updates...

#### Completed projects:

- \*3rd Floor bathroom for breakout room.
- \*Strip and wax fellowship hall and kitchen.
- \*New carpet for seating in gym.
- \*Fire Marshall deficiencies corrected.
- \*New bathroom fans for 5 bathrooms.

#### Current projects:

Window replacement:

Frames are being constructed now waiting on the glass to be competed. Hoping to start installation within the next 2 weeks.

ADA unisex bathroom:

We have drawn up the plans for an ADA bathroom. We are now working on pulling the permit so we can begin construction.

Heating & Cooling services:

Our boiler vendor is conducting our annual PM this week, so we can start up the heating system for the winter months.
