Introducing Deacon Zones

To better support Family Group leaders, we have implemented zones where each deacon will be the point of contact for specific group leaders. This is to more effectively meet the needs of our church family. To see the map and zones, please go the church website. It is listed under "Resources."

CharlotteTowne Apartments

We are very grateful and excited to have a partnership with Charlottetown Terrace Apartments. We worship with them on House Church Sundays and have an onsite Thursday Bible study group. We encourage Family Groups to sign up to serve the community on House Church Sundays.

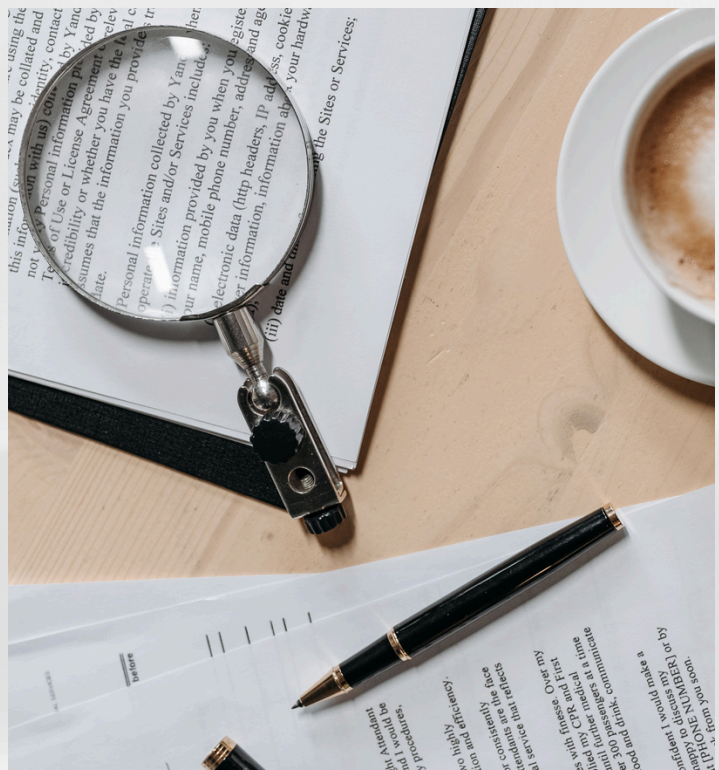

FACILITIES UPDATE...

We're excited to share that we will begin the construction this month to add a new ADA bathroom, as well as install a new security system.

Additionally we have other projects slated such as adding new HVAC units in the Fellowship Hall and classroom behind it, updating the flooring on the 3rd floor as well as on the lower level for the Children's Ministry.

Future projects include purchasing picnic tables for the front lawn and adding 2 drinking fountains; one on the sanctuary level and one on the ground floor..

UPDATE ON HIRING AND BY-LAWS

Though the hiring process for the Congregational Evangelist and Women's Ministry Leader roles has been quiet for the start of 2025, recently we have received interest from potential candidates. The hiring committee will be meeting in the next couple of weeks to discuss the next steps.

We appreciate your patience and understanding during this time and will provide further updates as things progress.

Thank you for your continued support and prayers.

By-laws Update

Mark your calendars for March 16. Following an abbreviated service, we will have Deric and Glenna Boston join us to share insights on the importance of our church bylaws.

The Bostons are our brother and sister-in-Christ and bring a wealth of experience in working with non-profits, particularly in legal and administrative areas. Their presentation will help us understand how legal obligations align with our nonprofit board responsibilities and the desire to represent and to embody Christ-like characteristics.

We look forward to seeing you there!

Ministry Fair a Success

March has started with such an exciting event...our first EVER Ministry Fair! Nearly every ministry in our congregation was represented in our gym as a way to share its vision and mission, as well as answer any questions.

It also gave members an opportunity to sign up to volunteer and serve in the various ministries. The Deacons are encouraged by the number of servants that we are partnered with in the Charlotte Church.

Let's continue serving together to encourage, strengthen and be the light to the community of The Charlotte Church and God's Kingdom!
